Firestar dies

(My story and yes some of my own characters will be put in)
Blossomtail screams "Firestar no don't fight Scourge!"
Firestar ignores the chorus of cats telling him not to fight, Even Sandstorm. Firestar starts off strong and pounces on Scourge. Scourge hisses and throws him off. Sandstorm pounces on top of Scourge trying to protect Firestar. Sandstorm gets thrown into a bush.
Firestar sees it and he is heartbroken she is probably dead, but that only makes him even more angry.
Firestar gets under Scourge gets him in a headlock and bats his belly with his hind feet. Scourge yowls in pain then stheathes his long thorn sharp claws into Firestars throat. Firestar's body goes limp the claws that once flexed and clawed into many evil cats such as Tigerstar were now cold like ice.
.....Firestar is dead.....

Everyone gasps as they see his lifeless bleeding body laying on the cold forest floor. Greystripe pads forward and finishes off Scourge very easily. Maybe its the fact that he is now leader of Thunderclan or the strength of his warrior ancestors giving him love, faith and strength.
Greystripe glares at everyone and snarls at them "Everyone get back to your regular duties" No one has seen this side of him before. Straight away Greystripe makes his journey to the moonstone and is given his nine lives.
.....The tyranny has just begun.....

Scourge is not dead

Greystar yowls the words that summons the cats under the Highrock. "All of those old enough to catch their own prey, gather here beneath the High rock for a clan meeting!
After all the cats scrambled under the Highrock he said "Scourge was evil and as I might say it aren't you glad Firestar is dead so I can be leader?" No one meowed yes they all just stayed quiet and that infuriated Greystar. So he jumped down and landed right in front of a tom elder named Longtail. Greystar sneered and lifted a paw up with claws out. Everyone was confused, what was he going to do the longtail? " If you don't say you are glad to have me as leader I will cut Longtail's tail and will be Stubtail!" Greystar threatened. A warrior spoke up and said " You wouldn't really do that you were friends with Firestar. " Greystar looked him right in the eye and said "Firestar is dead." He said it so bluntly. With that he swiped his paw and a brown price of fur fell to the ground. Longtail is so weak that he couldn't fight back he just fell to the ground along with his tail. Greystripe said "Say it or the next hit is on a kit!" After that everyone meows "We are so glad you are our leader." Greystar grins deviously. "Now Blossomtail you are my mate." Greystar demanded.
That night someone came to visit.
Scourge swiftly snuck into the leaders den. The black cat proded the sleeping grey ball of fur with his one white paw. "W-wha?" The grey ball of fur spoke and lifted his head up. "Wake up! We need to talk." Greystar stood up and asked here or somewhere else?" "Not here are you stupid? Follow me to the forest." The two cats made there way out to the forest. "So what is this about?" Greystar asked. "I have an order for you to carry out for me.....

The orders are wrong

"I want your mate Blossomtail." Scourge demanded. "No, I'm not giving you my mate are you crazy?!" Greystar wasn't ready to give up his mate Scourge knew that too. "Oh then shall I have you soul and your clan.....possibly the whole forest?" Scourge held up his one white paw with claws out up to Greystar's neck. The grey head bobbed back with long claws poking at his neck. He bit into one! He is crazy. Blood gushed out the pads of his paws.
Scourge yowled and swiped him with the other paw. He fell to the ground. Greystar was shocked at what he did though content with the image of Scourge begging for mercy. He put a paw on Scourge's heaving side and pressed down a little. Scourge turned and bit his leg and ran off spitting "This isn't over! I will finish you and your clan!" Greystar was feeling golden after that. He trotted out of his den and spotted an apprentice staring at him with wide eyes. "Did you just fight Scourge? I thought you killed him?" Silkpaw was in shock. Greystar whispered "This stays between me and you. Ok?" The brown apprentice nodded and wen to the apprentice den.

Hey sorry for the short chapter I had to redo this one a million times anyways the next part is good though. ;)

Questions and Answers

Greystar's POV
I see Blossomtail and I want to see if she could speak to Firestar for me since she was closest to him by relation.
"Hey Blossomtail, could you talk to Firestar for me and help me fix things?"
Blossomtail: sure I guess. Wait why would you want Fire star's help?
Greystar: I need to get rid of Scourge and fix things.
Blossomtail: Well, I guess if you regret your mistakes.

~TIME SKIP CAUSE CAN~

That night Blossomtail spoke to Firestar.
Blossomtail: Firestar! You're here!
*intwines paws with him.
Firestar: I wouldn't leave you or Sandstorm for anything.
They start walking amongst the long plain.
Blossomtail: umm I have been sent here from Greystar, he is truley and deeply sorry, is there anyway you can forgive him?
Firestar: I forgive him. He was just impatient. If he wanted to become leader I would've retired. Though he wasn't ready he didn't fully learn patience.
When it was time for Blossomtail to go back Firestar promised he will visit her more often.

Truth in the Stars

[image]

When Blossomtail got back to reality Greystar was in quite a hurry to see her.
Greystar: Does he forgive me?! What did he say to do?!
Blossomtail: Calm down! Yes he forgive you and what to do didn't come up actually. I told him but he didn't give me an answer.
Greystar: I'm just glad he forgave me. I miss him, it was stupid of me to do that to him.
Blossomtail: Well he said you were just impatient. He does forgive you.

Greystar POV
That night I looked at the stars, looking for Firestar. All of the sudden I see spiraling fire, then it exposed an orange tomcat. Could it be?! Firestar!
He pads up to me and I see tears streaming from his eyes.
Firestar: So this is the almighty new leader of Thunderclan. I'm so glad to see you!
Firestar touches noses with Greystar
Greystar: I miss you too. Though I need you guidence, I'm lost in this battle with Scourge.
Firestar: I will be here just listen and feel.
with his tail Firestar points to Greystar's chest
Firestar: I will visit you again soon, for now I have to go.
The two cats said their farewells and Firestar left as big as his entrance.

Fire in my Heart?

Greystar woke up the next morning and sniffed the air.
A warrior came racing upto him and said while panting.
Warrior: Greystar River clan wants some of our hunting territory. What should we do?
Greystar felt a feeling in his heart saying. "Say, no we haven't done that in ever say No." Was this what Firestar meant he will give me advice?
Greystar: No we haven't done that ever and we never will.
Warrior: Yes, Greystar.

YAY THX GUYS FOR ALL THE VEIWS AND EVERYTHING AND VOTES YAY ! AND IM SO SORRY I HAVEN'T PUBLISHED IN A WHILE . ITS JUST BEEN PRETTY HECTIC AND WOW UM RUN ING OUT OF IDEAS TO DO . GIVE ME IDEAS IN THE COMMENTS AND WHOEVERS I DEA I CHOOSE I WILL DEDICATE IT TO-

Is this it?

Scourge came rushing his clan through the bushes and shrubs.
Scourge: This is going to end today Greystar!
Greystar: No! Not ever we won't let you take us!
Scourge sneers in a challenge of battle.
Greystar nods his head and a wall of warrior closed in on Scourge.
Greystar went for Scourge, they hissed and spat in a ferocious battle.
The other 4 Clans came to help, Riverclan, Shadowclan, Windclan, and Skyclan. Skyclan came in late because they are a long distance away. Blossomtail raced to the nursery going to protect the kits, her own were in there too, the ones her and Greystar had.

Omgh ikr Kits!lol

She made it to the nursery and she got into a pounce position. A tall brown she-cat came prowling in.
She-cat: Well look whose here, little miss. Blossompelt!
She used to be called that till Firestar brought her his sister to Thunderclan.
Blossomtail makes no wait and she pounces and claws the tall she cat's neck.
She-cat: Grr..... you know you won't win!
Then the tall taunting she-cat has passed. That used to be Blossomtail's best friend. Though not anymore. Another cat came rushing in and of was a Tomcat this time. It was Hedgetail. He has a bushy tail so that explains his name.
Blossomtail: Hedgetail?! Its you?
Hedgetail was her old mate. Till he joined Tigerclaw.
Hedgetail: Yes, Im not here to fight though.....
Blossomtail: Then why are you here?
Hedgetail: I miss you. I want to rejoin Thunderclan.

Who should I choose?

Time skip!
Blossomtail was confused. And he did get to rejoin. Though, she loves Greystar, he is a great risk taker, he is extremely handsome, smart, and kind. And Hedgetail, left her for Tigerstar, he is smart, a great strategist, though ensensitive. Who should I choose?!
Hedgetail was my first love though Greystar really loves me and I love him. Maybe him forcing me was the best thing that has ever happened to me. I need to talk to Firestar!

Time skip peeps!

Blossomtail: Firestar, I'm having a dilemma.
Firestar: What is it?
Blossomtail: I'm really in love with Greystar and Hedgetail. What do I do?
Firestar: Well, I know Hedgetail was your first love and Greystar was your second.
Blossomtail nods.
Firestar: Here's a little something that my father once told me.
"***If your in love with one and then, you fall for a second, go for the second because, if you really love the first you wouldn't love the second."***
Blossomtail: I get it thanks so much Firestar! I'm going to choose Greystar!
Firestar then dissapears in a fiery, ash and dust. Blossomtail then wakes up. Wait how am I going to tell Hedgetail?

I want your love

Hedgetail tears up once Blossomtail tells him who she chose.
Blossomtail: I'm sorry but its who I belong with.
Hedgetail: I understand.....
Hedgetail thinks to himself. " If I can't have you no one can!"

Time skip

Hedgetail: I gave you my all Blossomtail. If you don't love me then no one can love you.
He whispers to her in the dark, cold and crust air.
Greystar wakes up, and sees Hedgetail swipe her.
Greystar jumps onto Hedgetail and gives a good fight till knocked out.
Blossomtail: I would rather die and love Greystar, than live and love you!
With that Hedgetail killed her. The sweet scent that once made Greystar melt when around, is now gone.
Greystar wakes up, expecting to see Hedgetail over came by Blossomtail. Though he sees his one and only lying on the ground with a red scarlet neck.
Greystar: No! No! Blossomtail speak to me! I love you! Don't go, I need you!
Blossomtail says with her last dying breath. "*I love you Greystar, protect yourself and the kits."*
Then she let's go to what she was hanging onto.....
Greystar.

Scourge: Haven't been broken in yet eh?

Shadeclaw: I kissed someone.

Shadeclaw growls: No dad you promised you wouldn't get mad!
Greystar: So, he is the worst choice. Be Silktail's mate for all I care.
Shadeclaw: No I love Scourge.
It stung her to say it, though it felt better or sweet.
Greystar was surprised by her saying that. Though before he could react she ran off into the Forest to see Scourge.
